2009 Holland Creek Riesling
Adelaide Hills

Paracombe Holland Creek Riesling is a single vineyard release. Paul and Kathy Drogemuller selected the Galipo family vineyard at Cudlee Creek as a specialist site for this wine.

The vineyard is located on a northerly aspect overlooking Holland Creek and the River Torrens in heart of the Adelaide Hills.

The vineyard slopes are well drained deep red earth over shale. Bathed in warming sunshine during the day, the temperature drops to cracking cold at night resulting in perfect conditions to produce this stylish wine.

This 2009 vintage is fresh and delicate with hints of apple and lime laced throughout the bouquet and palate alike.

The grapes for this wine were harvested late in February following an even ripening summer season. The bouquet exhibits lifted hints of fresh citrus fruits, Spring blossom notes and pineapple. The palate delivers clean, graceful flavours of fresh limes, apples and slatey mineral notes with a fresh, lingering finish.

Riesling lovers will enjoy this delish style from Paracombe!
