

2004 Cabernet Sauvignon Adelaide Hills

Paracombe 2004 Cabernet Sauvignon is a single vineyard wine with grapes harvested exclusively from the Paul and Kathy Drogemuller's vineyard from Cabernet vines planted in 1992.

The mild Autumn and cool summer of this vintage provided ideal conditions for Cabernet Sauvignon with slow, gentle ripening conditions giving excellent flavour definition.

In Paracombe style, the fruit was harvested early May, fermented in small open tanks and hand plunged. Once pressed the wine was left to mature in French Oak 18 months.

Paracombe Cabernet Sauvignon presents deep, colour in the glass with rich, full fruit flavour. The bouquet has a delicious mix of aromas including cherries, dark chocolate and spicy notes

The palate backs up with generous, juicy flavour Enjoy ripe currants and berries textured with hints of fine, spicy tannins with a leisurely, long, finish. Drinking well now, this wine promises to reward further still with age.

A smooth, silky wine sure to put a smile on your face.
