

2007 Holland Creek Riesling

Adelaide Hills South Australia

Paracombe Holland Creek Riesling is a single vineyard release. Paul and Kathy Drogemuller selected the Galipo family vineyard at Cudlee Creek as a specialist site for this wine.

The vineyard is located on a northerly aspect overlooking Holland Creek and the River Torrens in heart of the Adelaide Hills.

The vineyard slopes are well drained deep red earth over shale. Bathed in warming sunshine during the day, the temperature drops to cracking cold at night resulting in perfect conditions to produce this stylish wine.

The grapes for this wine were harvested in early March. This vintage has granted a lifted bouquet of floral, pineapple and fresh limes. The palate delivers clean, intense flavours of citrus, lychees and slatey mineral notes with a fresh, lingering finish.

Riesling lovers will enjoy this delish style from Paracombe.
