

# 2006 Sauvignon Blanc

## Adelaide Hills South Australia

Harvest for this vintage commenced early March through to early April with fruit picked from Paul and Kathy Drogemuller's Paracombe vineyard and specialist Adelaide Hills growers.

The 2006 season produced very low, but high quality fruit yields for Sauvignon Blanc with this vintage showing lifted aromas, good flavour definition balanced with excellent natural acidity.

The result is a stunning wine. The bouquet shows enticing, lifted passionfruit and tropical aromas, with fresh, pure flavour. Zesty gooseberry combines with citrus and mineral notes for a clean, lingering finish.

Paracombe Sauvignon Blanc continues its strong reputation as a consistent benchmark wine. This vintage is no exception and is sealed with a stelvin closure to preserve and assure its quality.

Enjoy Paracombe Sauvignon Blanc any time, any where with anybody...or maybe just keep it for yourself.
